To Subscribers.

To the many subscribers who have already entered into the 7 Years' Subscription Agreement we offer our warm thanks. The increased income shown under Subscriptions is largely due to them.

We shall be most grateful to all those subscribers who have *not* yet made use of the Agreement, which is for seven years or during life, whichever is the shorter period, if they will do so.

The Agreement enables the Hospital to recover the Income Tax paid on the Subscription : and it also enables Subscribers liable to Super Tax to deduct the gross amount of their Subscriptions from the income assessable for that tax.

Thus, without any extra expense to themselves, they can benefit the funds of the Hospital very materially, as is shown by the Table, calculating income tax at 5/6 in the £, below :—

Nett Amount of Annual Subscription payable by Subscriber.				Income Tax recoverable by the Hospital.				Gross Amount of Annual Subscription.			
£	s.	d.		£	s.	d.		£	s.	d.

52	10	0	...	19	18	4	...	72	8	4	

During 1938 many Governors and friends of the Hospital were successful in enlisting new Subscribers for the Middlesex Hospital.

Will all our friends make, this year, a special effort to bring in new Subscribers, and ask them to make use of the Agreement, which adds so materially to the value of their support ?

Major the Hon. J. J. Astor, M.P., Chairman.

THE MIDDLESEX HOSPITAL

(FOUNDED 1745)

AND

CANCER WING

(INSTITUTED 1792).

Alteration of Title of the Middlesex Cancer Hospital to the Middlesex Hospital Cancer Wing.

It having been found that the separate title of The Middlesex Cancer Hospital has led to some misconceptions and confused many of our supporters, the Court of Governors at its meeting on April 10th, 1930, resolved on the advice of the Board to revert to the old title of The Middlesex Hospital Cancer Wing.

The Report and Accounts of the two Institutions are accordingly being issued in one book.

REPORT

OF THE

BOARD OF THE GOVERNORS

OF THE

MIDDLESEX HOSPITAL for 1938.

HIS ROYAL HIGHNESS PRINCE ARTHUR OF CONNAUGHT, K.G., K.T., P.C.

The death of our Chairman, after a prolonged illness, was felt as a personal loss by each individual connected with the Hospital. He will always be remembered here, not only as an administrator who applied his great talents to leading the Hospital with conspicuous success through a period beset with grave problems and difficulties, but as one who had an intimate knowledge of the daily routine of hospital life and a personal interest in the work and welfare of all members of the staff.

Prince Arthur accepted the Chairmanship on his return from South Africa in 1925 at a time when the question of the rebuilding of the Hospital was under urgent consideration. Under his calm yet energetic leadership the greatest building scheme ever attempted by a Voluntary Hospital was undertaken. Throughout the ten years needed to complete the scheme Prince Arthur's confidence was never shaken, and his faith in the goodness of the cause and in its ultimate success heartened every supporter of the Hospital.

He was not content merely to watch over others, to guide and advise. He acquired a deep and thorough knowledge of the work and policy of the Voluntary Hospitals, of the special position and responsibilities of the Teaching Hospitals and particularly of the work and ways of the staff and finances of the Middlesex Hospital.

He never spared himself in the service of the Hospital, in spite of the innumerable other calls upon him. He presided week by week at the meetings of the Board and Rebuilding Committee. Whether it was at functions such as the "Seven-a-Side" Tournaments, the Autumn Ball and Public Dinners or the private lunches and dinners he gave to promote the interests of the Hospital, he was ungrudging of his time and trouble.

Although Prince Arthur in his public and private career played a leading part in many branches of the Nation's life, nowhere is his influence more lasting or his death more deeply mourned than at the Middlesex Hospital.

MAJOR THE HON. J. J. ASTOR, M.P.

At the Court of Governors held in December of this year Major Astor was elected with acclamation to the position of Chairman of the Hospital and most heartily welcomed by all sections of the Hospital. Major Astor has long been intimately associated with the Hospital of which he has been a Vice-President since 1922 and has shown especial interest in the work of the reconstruction and of the Medical School.

Although the crisis which faced his predecessor has been overcome, Major Astor assumes responsibility for the destinies of the Hospital at a time when modern conditions and medical research are making ever increasing claims on the resources of the Voluntary Hospitals and when the meeting of these claims is presenting a most urgent problem. It is not too much to say that upon the statesmanship of the leaders of our Hospitals during the next few years depends the future of the present system. Major Astor has undertaken a great task and we are convinced that there is no one more fitted than he to bring it to a conclusion beneficial alike to the science of healing and to the public which it serves.

The New Middlesex Hospital.

Approximately 75,000 gallons of milk were consumed (£5,859), 1,200 cwts. of bread (£1,069), 100 tons of potatoes (£517), 100,000 lbs. of meat (£3,986), 300,000 eggs (£1,689), 12,000 lbs. of tea (£896), and 35,000 lbs. of butter (£1,847). For dressings, 145 miles of absorbent gauze were used (£510), 59 miles of butter muslin (£285), 70 miles of bandages (£428), and 8 tons of wool (£488).

Expenditure this year was £191,781 and our income from all sources was £180,988.

Including the Woolavington Wing for Private Patients, there were 614 beds at the service of the public. If funds were available over 100 more general beds could be opened.

The average stay of patients was 20.95 days, the daily bed occupancy 571.1, and the cost per week per bed £5 6s. 7d.

The National Emergency.

The National Emergency of September found the Hospital with a good working scheme for its own services in case of war. The Board appointed Dr. H. F. A. Boldero to take sole charge in an emergency, with an Advisory Committee, consisting of a few representative members of the Board and of the Honorary Medical Staff to assist him. Since then Dr. Boldero, at the request of the Board, has given a good deal of time and trouble to representing the Hospital in conferences at the Ministry of Health and elsewhere, and we are confident that the Hospital services can be effectively fitted into the general national scheme. We are deeply grateful to Dr. Boldero for so generously sacrificing his time to this exceedingly important work.

The Nurses' Home.

The extension of the Nurses' Home, begun last year, was completed in the autumn. This provides another hundred bedrooms for nurses, a recreation room with facilities for various indoor games and a stage for theatricals, a large lecture room for nurses in training, more sitting rooms and various other amenities.

In December last Her Majesty Queen Mary, who has visited the home on various occasions, inspected the completed extension and was graciously pleased to express great satisfaction with all she saw.

The Board, thanks to the Anonymous Donor of the Nurses' Home, can now offer still further advantages to the Nursing Staff and are also in a position to open the Hospital to its full extent if and when funds are available.

The Meyerstein Institute of Radio-Therapy.

In June last, Sir William Bragg, O.M., President of the Royal Society, in the presence of distinguished representatives of the scientific and medical professions formally declared the Institute open. This Institute is now working to its fullest capacity, giving on an average over one hundred treatments a day. While most of the patients treated are suffering from Cancer, an increasing number of maladies are found to be responsive to radio-therapy. From both the clinical and research points of view the Institute has assumed a position of national importance.

The Middlesex Branch Hospital and Hulke Endowed Home at Clacton-on-Sea.

The total number of patients received in our Convalescent Home during the year was 1,478, of whom 973 were sent direct from this Hospital.

The provision of surgical dressings and the constant attendance of doctors make it possible for the Home to receive a very wide range of convalescent patients.

The Lady Almoner's Department.

Other Convalescent Homes and the Schiff Home of Recovery have received, through this department, 589 adult patients and 144 children. 84 adults and 12 children were admitted to Sanatoria.

The District Nurses' Association gave help to 308 adults and 80 children.

2,235 surgical appliances and instruments were supplied to in- and out-patients.

We wish gratefully to acknowledge the usual assistance and financial grants given us by the St. Patrick's Benevolent Society and the various Hospital Contributory funds.

We should like to thank the Invalid Kitchens of London for their help to a number of our convalescent patients, also the Friends of the Poor and the Charity Organisation Society for the number of home visits to and reports on our patients they have made.

Our thanks are also due to the Royal Surgical Aid Society for their generous help in sending letters for the use of special cases.

Expenditure incurred in assisting patients with convalescence, surgical appliances, fares and in other ways to the extent of £6,141, has been met in part by direct contributions from patients, through mutual aid societies and by the Dresden & Samaritan Funds.

In March, 1938, Miss Bathgate was appointed Health Visitor in Paddington Borough, and we welcome Miss S. Cooke who has taken her place here as Assistant Superintendent.

Nurses in training in the Preliminary Training School now attend the Monday afternoon clinics, to learn something of the management, feeding and normal development of healthy babies before going on to deal with sickness and abnormality in health matters.

Warm thanks are due to our Voluntary Staff and to the many kind friends who knit for us, particularly to a company of blind Rangers who send us a large parcel of beautifully knitted clothing each year.

A sum of £54 9s. 9d. was contributed by friends to our Holiday Fund, and was used through the Almoner's Department for Welfare mothers and children in need of change or convalescence.

Our "Christmas Fund" of £22 enabled us to send Christmas dinners to 88 very poor families.

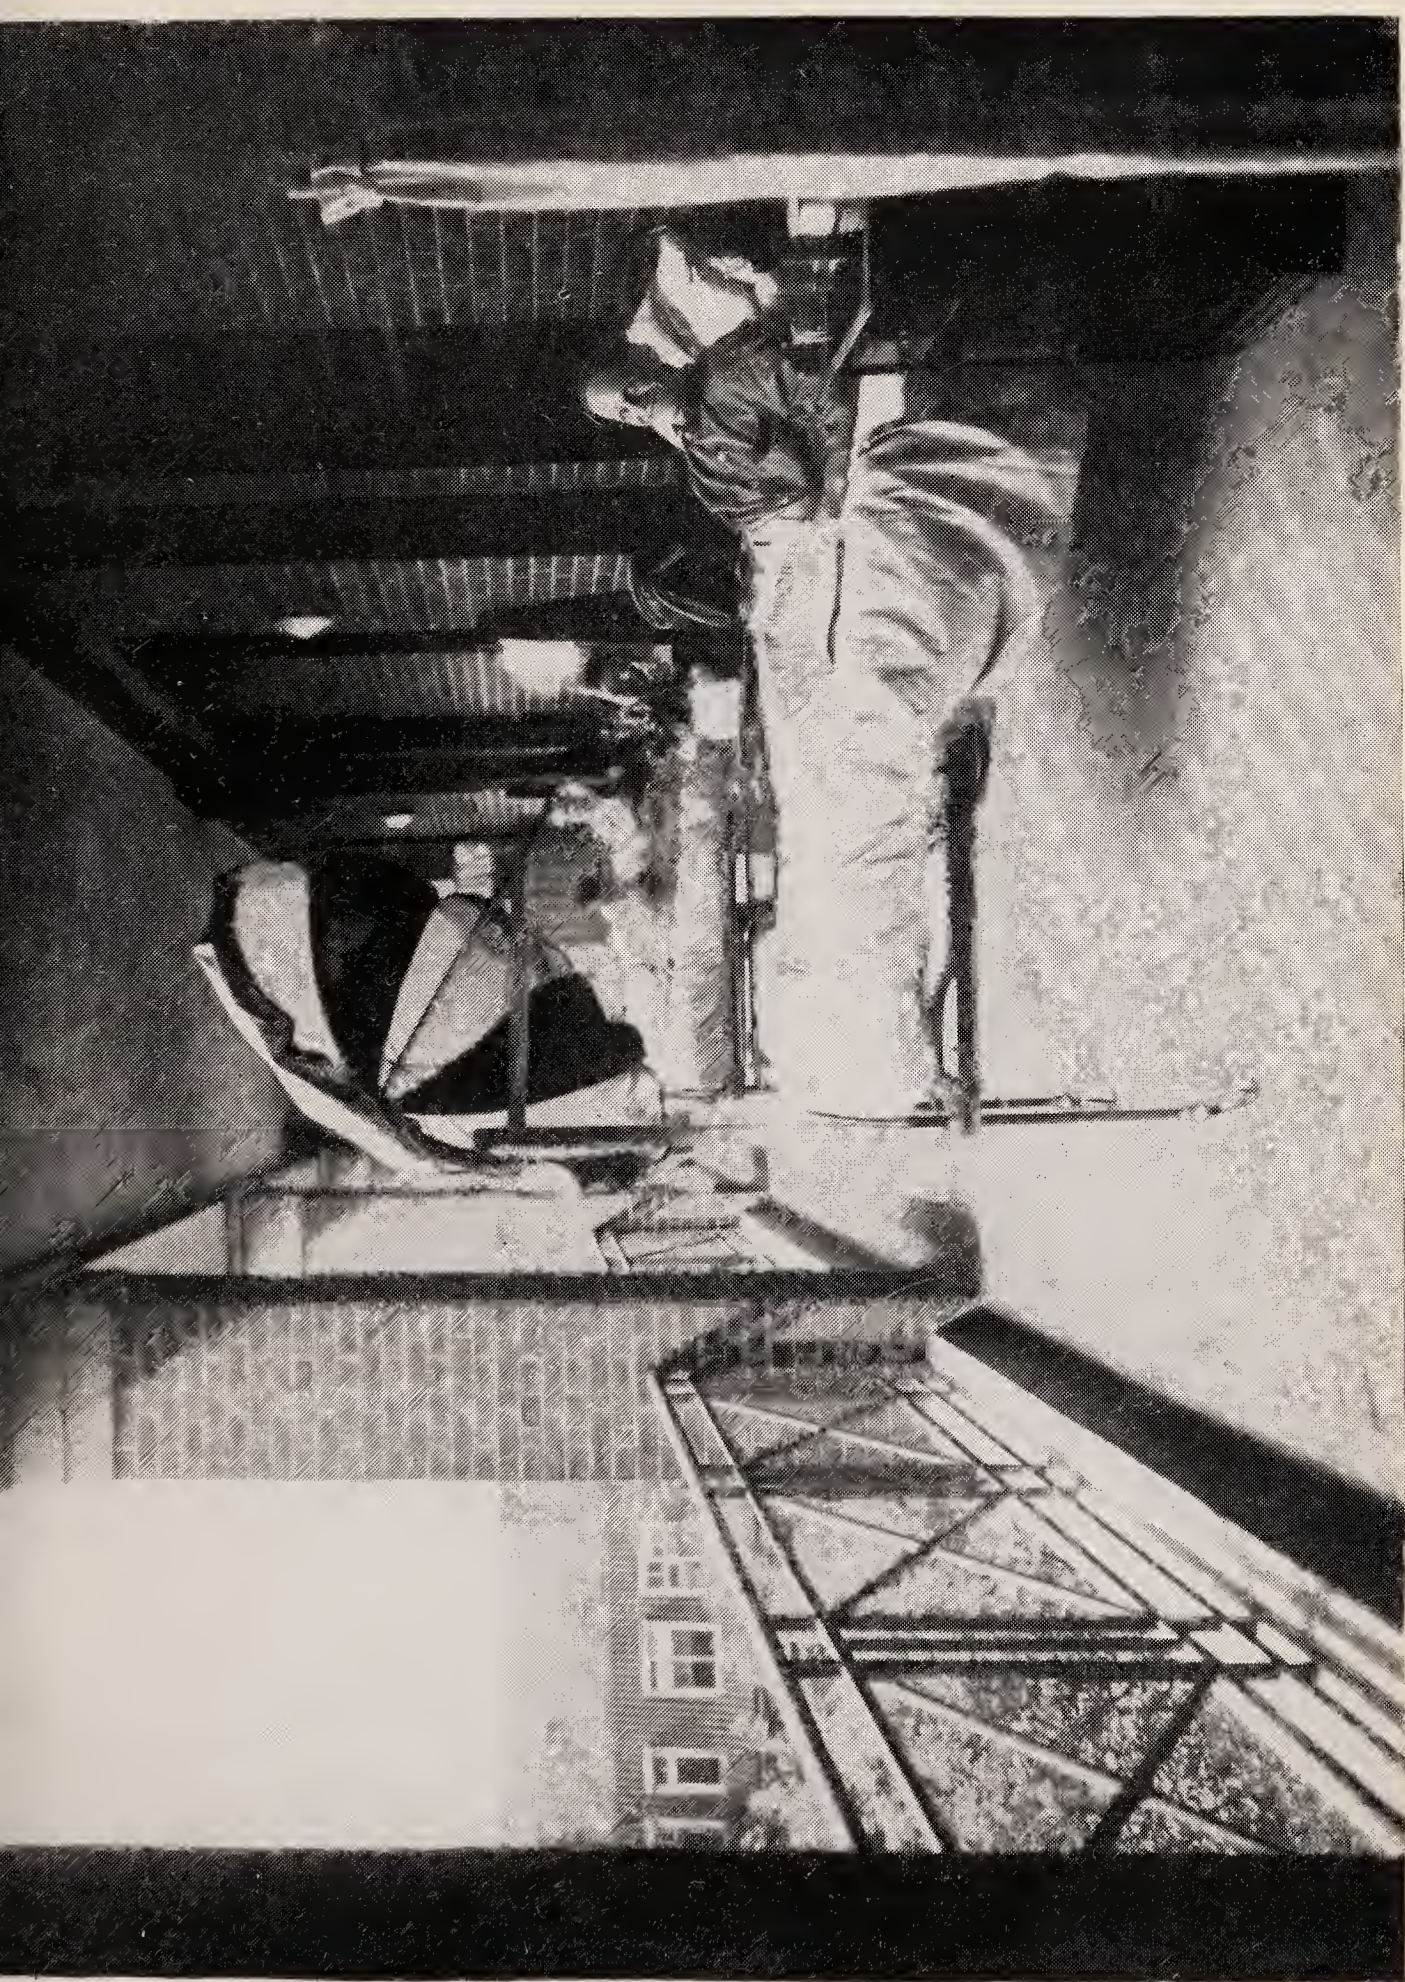

Children's Convalescent Home.

A really delightful gift has been received this year from Mrs. Snagge. She has presented to the Hospital, and promised to maintain, a charming house and grounds near Liphook for the use of 6 convalescent children who may stay there for the very long periods necessary in certain cases, yet out of the question in the ordinary Home. Your Board has most gratefully accepted this splendid present which all will agree is an outstanding example of really practical charity.

SERVICE, APPEALS AND FUNCTIONS.

The Ladies' Association.

1938 has been a very full and successful year for this Association and all its branches. The endowment of a bed in the Vaughan Morgan Ward, begun in 1936, has been completed and a start is being made to endow another in the maternity department.

One of the Ward Polsonies

During the Crisis an Emergency Committee was formed and invaluable work was done in the making of black curtains, boxing of gas masks and in the organisation of cars for the evacuation of patients. A skeleton organisation now exists to meet any possible future emergency.

We welcome Mrs. D. H. Patey as the new Honorary Secretary in succession to Mrs. Boldero, who retains the Treasurership of the Association, after combining both offices for eight strenuous and successful years.

The Work Society.

We regret that Lady Isobel Gathorne Hardy has retired after 16 years from the Presidency of this branch and we welcome Mrs. Ririd Myddleton who succeeds her.

2,226 garments of different kinds were made, apart from the work done in the Crisis. This latter has led to the establishment of a weekly work party in the Hospital, for which more offers of regular help will be welcomed, as will the gift of a sewing machine.

Ward Visiting Branch.

Mrs. Leveson Gower and her helpers have continued this work which brings so much comfort and happiness to our patients.

Garden Branch.

Mrs. Felix Davis has again been responsible for the delightful appearance of our Chapel Garden and Mrs. J. H. Hambro has most kindly added to her responsibilities by taking over the care of the garden in the Nurses' Home.

The Library Branch.

The fame of the Library is becoming international.

Mrs. Beddington, the Head Librarian, read a paper to the International Guild of Hospital Librarians at Berne.

Members of the International Red Cross, coming from European Countries, Australasia, Canada, Peru and Japan visited the Library during their conference in London.

A Broadcast from Paris on Hospital Libraries included a lengthy account of our Library and methods.

22 Librarians for other hospitals were trained here during the year.

A special visit was arranged for the Guild of Hospital Librarians, members representing 19 different Hospitals.

The total number of books issued to patients was 29,845, including many in various foreign languages.

The Ambulance Branch.

This Branch, under Miss K. S. Proctor, has made over 1,000 attendances this year and assisted at some 3,000 operations—truly remarkable figures.

Second Hand Department.

We are grateful to Mrs. E. L. Pearce Gould and her friends who have again, by unceasing labour, beaten their achievement of the previous year.

Any new or second-hand articles will be most thankfully received by Mrs. Pearce Gould at the Hospital.

The Middlesex Mice.

This, the children's branch of the Association, has had a fine record this year, under the Chairmanship of the Marchioness of Cambridge.

The endowment for 500 guineas of the Mice Cot, begun in 1934, was completed, and the Cot dedicated in the Hospital Chapel.

£1,000 for endowment of the Middlesex Mice Nursery has been undertaken, and already the first of the four cots has been paid for.

A most successful children's party took place in December at Claridges.

289 children were enrolled as new members during the year.

Your Board is most indebted to Lady Wraxall, the Chairman of the Association, and all the devoted ladies who support her in this wonderful and varied work for our Hospital.

The Children's Ward

The Bernhard Baron Ward.

The All Help League.

There are to date 3,700 active members of the All Help League, adults and children who, having received benefits from the Hospital's services, are now giving their generous voluntary assistance towards its maintenance.

1938 was an outstanding year. By the combined efforts of the members the amount realised was £2,295, showing the substantial increase of £420. £1,747 of the above sum was given by ex-patients by means of subscriptions, collecting boxes, sale of tinfoil and "Daily Mirror" tokens.

The League's special enterprise was the forming of a new fund, "The All Help League Equipment Fund," to provide the wards and other departments with any requisites which would add to the comfort of the patients and efficiency of the Hospital's services. With this end in view collecting cards were circulated to all members. Lady Webb-Johnson took a very practical interest in this scheme, personally acknowledging all the gifts. She also opened, on November 5th, in the Hospital Board Room, the All Help League Bazaar, the proceeds of which were allocated to the Equipment Fund. The combined efforts raised £548. This sum has provided four wards with refrigerators, helped to equip the fracture clinic, bought 2 examination couches, 30 beds, 6 cots, 24 lockers, provided chairs for visitors in the wards, etc.

Dr. and Mrs. Boldero kindly acted as Host and Hostess at the Crusaders' Party. They thanked the children for their splendid help, the total of their boxes realising £81 10s. 0d.

We would like to express our deep gratitude to the Chairman, Mr. F. F. Taylor, the Committee, and all the Members of the League.

The Autumn Ball.

The Autumn Ball at Covent Garden was held again this year under the Chairmanship of Mrs. de Paula and proved more popular than ever. It is a great tribute to the energy and ability of

Mrs. de Paula that on the first occasion of her undertaking this function all records were easily broken, the net proceeds being £1,601 14s. 3d.

Mrs. de Paula also organised a card party at 18, Carlton House Terrace, through the kindness of Major and Lady Violet Astor, which raised £260 10s. 0d., and other functions during the year which yielded £77.

The Court of Governors have recognised Mrs. de Paula's great services by electing her an Honorary Life Governor.

The Chapel.

The Board is sincerely grateful to Lady Webb-Johnson for the beautiful altar rail carpet she worked for the Chapel. Its design and colouring, harmonizing so admirably with the scheme of the Chapel's decoration, makes a notable addition to the embellishment of the edifice.

Flag Day.

Lady Webb-Johnson very kindly undertook the running of the combined Hospitals' Flag Day. In spite of the small area allocated to the Hospital, the result was £548 12s. 4d., and was most satisfactory, showing a substantial increase on last year. Our thanks are tendered to Lady Webb-Johnson and all her helpers.

The proceeds of the Flag Day at Clacton were £50.

Rose Day.

The Alexandra Rose Day, organised by the Hon. Mrs. David Bowes-Lyon, brought in £775. Our thanks are due to all those helpers who worked so hard to bring about this success.

Variety Concert.

Mr. Leslie Weston devoted a great deal of time and trouble, in co-operation with Miss Lottie Albert and the Grand Order of Water Rats, to running an All-Star Variety Concert at the Phoenix Theatre. Their efforts resulted in a thoroughly enjoyable evening for all concerned and a cheque for the Hospital of £566 11s. 1d.

Mr. Weston and Miss Albert have been elected Honorary Life Governors of the Hospital.

“Seven-a-Side” Competitions.

Our friends of the Middlesex County Rugby Football Union again devoted 80% of the proceeds of the final day of these competitions to the Hospital, which benefited to the extent of £1,463 2s. 8d. We are extremely grateful to them for their valuable and continued support of our Cancer Wing.

The occasion was made notable by the gracious presence of T.R.H. the Duke and Duchess of Gloucester.

Bond Street Sale.

The Bond Street Association held a two-day Sale, which was opened by the Hon. Mrs. Edmondson at the Princes Galleries in aid of their Ward. We are profoundly thankful for the whole-hearted support which all members of the Association give to the Hospital throughout the year.

The Sale yielded £627 12s. 0d.

B.B.C. Concert.

Mr. Leslie Woodgate, the B.B.C. Choir and the Women's Symphony Orchestra gave a delightful Midsummer Concert in the Hospital Garden, which was crowded with listeners. A collection was taken amounting to £75 8s. 0d.

Mr. Woodgate has been elected an Honorary Life Governor.

Students' Variety Concert.

This annual event was held at the Scala Theatre and a number of leading artistes most generously gave their services. Our very warm thanks are due to them and to the Students who so ably organised the concert.

Alms Box Department.

This department has had a successful year in spite of the trade depression which always most noticeably affects this form of collecting.

It is particularly satisfactory to note that the sale of " Help Yourself " Annuals which has been becoming more difficult of late, was increased this year.

The total amount raised by the Department was £1,802 14s. 2d.

Our thanks are due to Mr. and Mrs. G. Harvey and their Great Dane " Whiskey " for making collections on behalf of the Hospital. " Whiskey " is now well-known to many patients and their friends, and attends with his master every Visiting Day.

Mr. and Mrs. Harvey have been elected Honorary Life Governors.

Curtain Cubicles.

Sir Edward Meyerstein has most generously promised to equip all the wards of the Hospital with curtain cubicles. Work on this is proceeding rapidly, and will soon be completed. Not only will greater privacy be assured to all patients when they desire it, but a great deal of time and heavy work be saved to the nursing staff. Once again our thanks are due to Sir Edward for his most practical philanthropy.

Botha Respirators.

We owe our gratitude also to Sir Edward for the gift of three Botha Respirators to the King's Fund, one of which is housed by this Hospital for its own and general use.

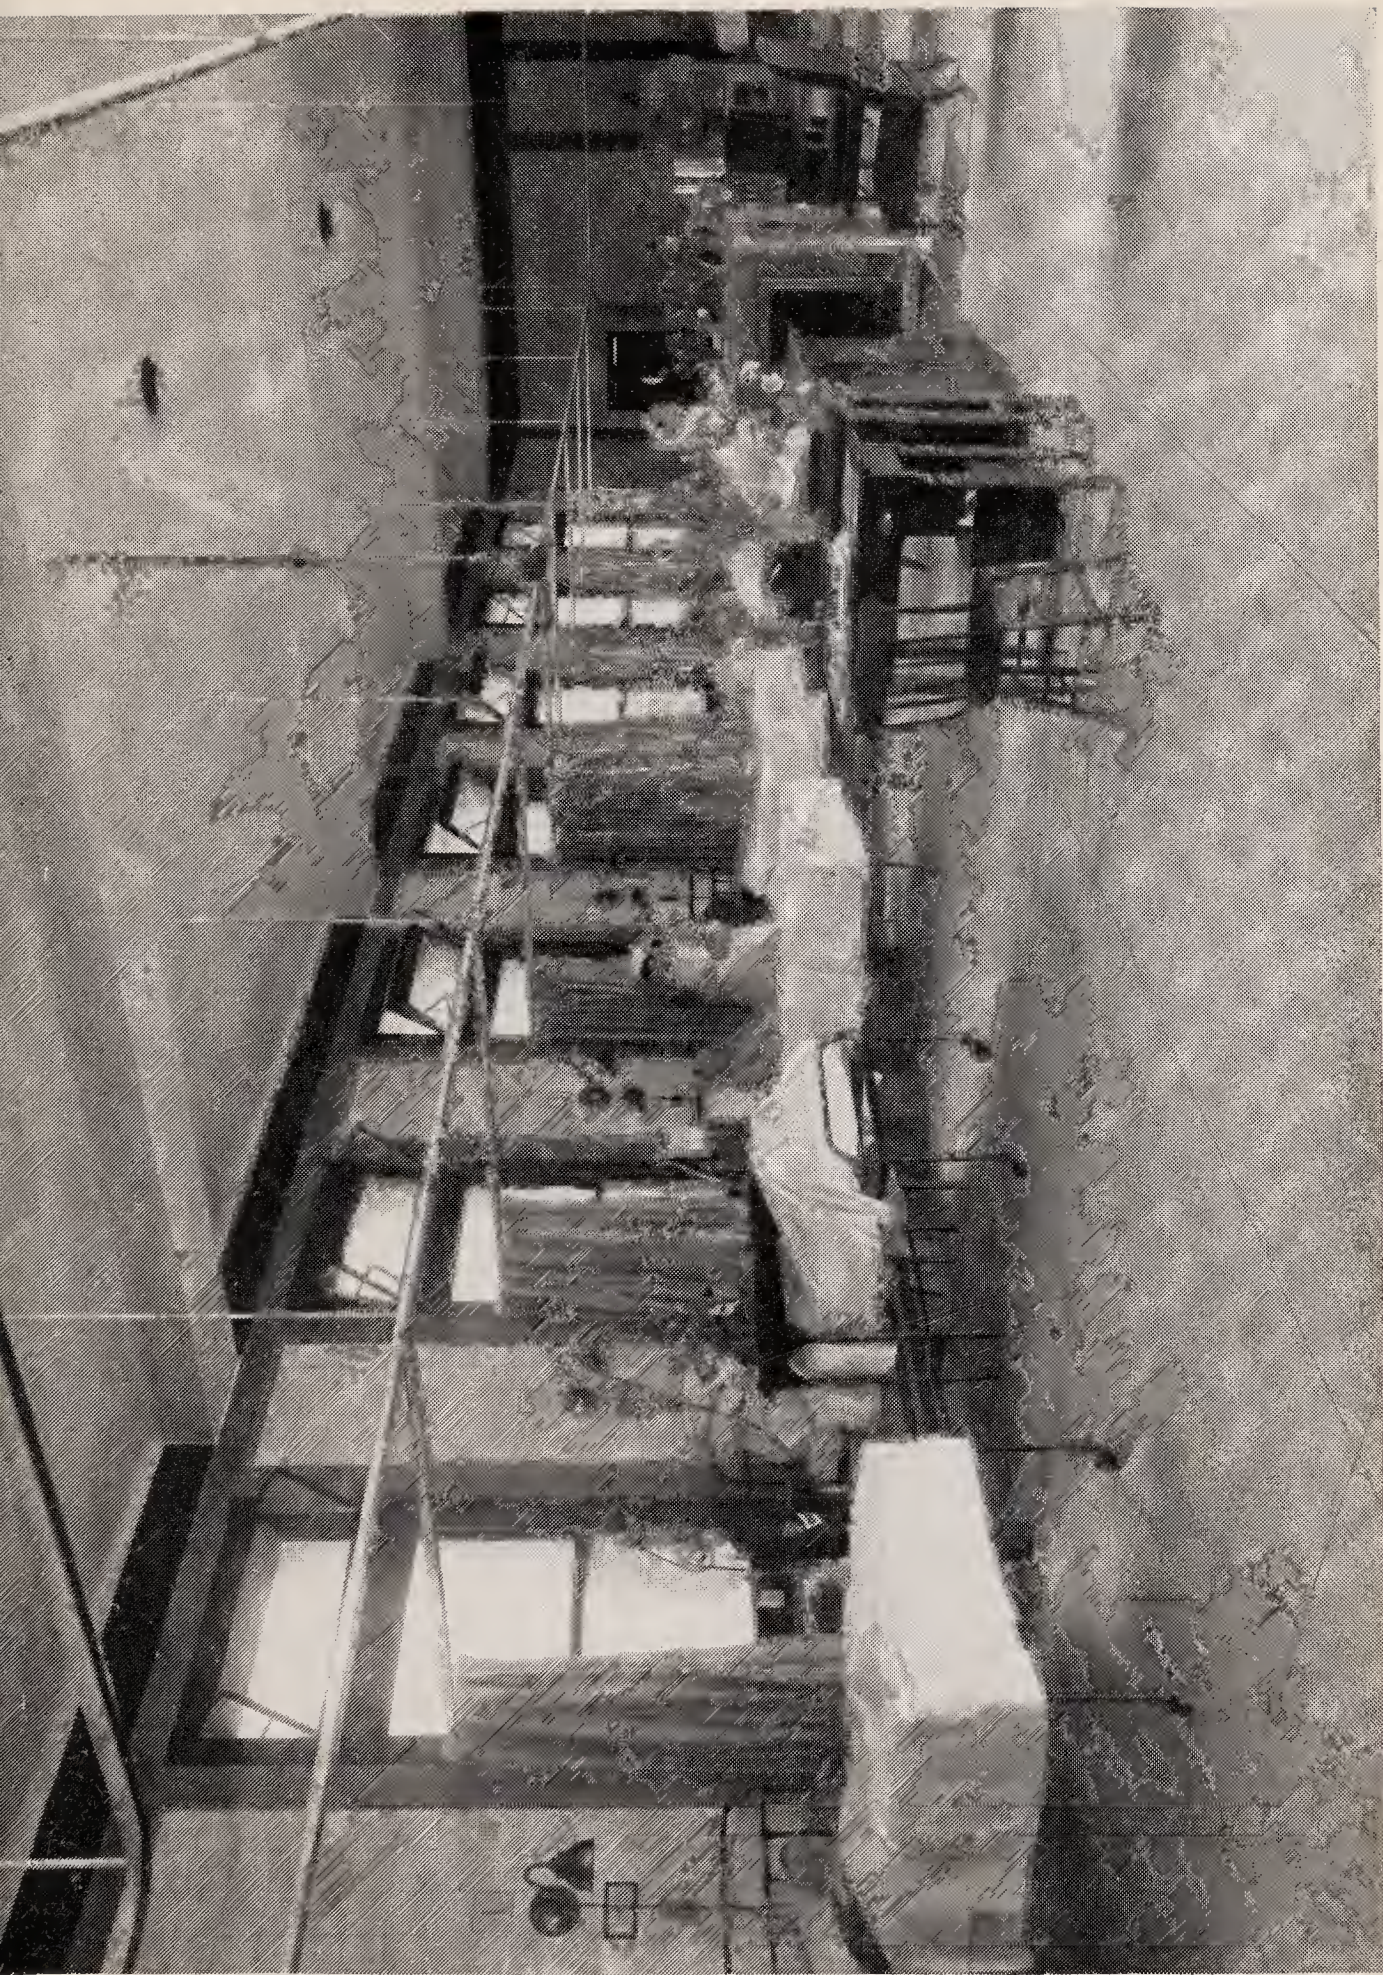

Friends of Miss Fanny Marriage.

£39 17s. 4d. has been received this year in memory of Miss Marriage towards the maintenance of the bed which bears her name. It is a great pleasure to us that so old an association is continued by Miss Marriage's many friends.

British Empire Cancer Campaign.

This important organisation again made a generous grant of £8,000 towards the Cancer Research work of the Medical School.

This continued aid is warmly welcomed, is most gratefully acknowledged and is a tribute, we believe, to the value of the work done in our Scientific Departments in the quest of the Cause and Cure of Cancer.

A Cubicle Ward.

APPOINTMENTS AND RETIREMENTS.

The Board.

We have to record, with the most sincere regret, the death of two members of the Board, Mr. Samuel Garcia Asher and Mr. Sam Baer.

Mr. Asher was elected to the Board of the Hospital in 1910 and was Chairman of the Council of the Medical School from 1921-29. In 1929 he was elected a Vice-President of the Hospital.

Throughout his membership of the Board Mr. Asher displayed the keenest interest in the affairs of the Hospital and its Medical School and until his illness was most regular in his attendances at the meetings of the Board and its Committees. In him the Hospital has lost a devoted friend.

Mr. Baer was elected to the Board in 1908. Though during recent years his health prevented him from regular attendance at Board meetings, he still maintained very close touch with the Hospital and its work. His loss will be most keenly felt.

To our great regret Lieut-Colonel W. F. G. Wyndham tendered his resignation from the Board this year, on his final retirement from London. His resignation was accepted with the greatest reluctance.

Three new members have been elected to the Board: Mr. N. Brewis, Mr. F. Doran, and Mr. M. Freeman. We extend them a hearty welcome, with the knowledge that their work here will be of the greatest benefit to the Hospital.

One of the last acts of Prince Arthur in the interests of the Hospital was to recommend to the Board the election of three of their members to be Vice-Presidents namely, the Hon. T. B. Money-Coutts, Mr. Reginald Beddington and Mr. Richard C. Davis.

Mr. Money-Coutts, both as Vice-Chairman and as Chairman

of the Finance Committee, has borne the main responsibility for the conduct of the affairs of the Hospital during the illness of the late Chairman; the Board is most grateful to him, not only for his invaluable assistance during that period, but also for his constant interest in all that concerns the welfare of the Hospital.

Mr. Beddington has rendered particular service to the Hospital in the re-organisation of the Home at Clacton, in re-drafting the Hospital's laws and in his special interest in the nursing establishment. He is also Chairman of the House Committee and serves on many of the Hospital Committees.

Mr. Davis, who succeeded his father and his grandfather on the Board, has given years of devoted service to the Hospital and School and serves on many Committees. His interest in promoting our Cancer Research work has for long been extended to a wider national field and was recognised by his appointment some years ago as Treasurer of the British Empire Cancer Campaign.

Prince Arthur's proposals were unanimously supported by the Board and heartily endorsed at the following meeting of the Court of Governors.

The Honorary Staff.

His Majesty the King was graciously pleased to confer on Mr. C. P. Wilson, Aural Surgeon to the Hospital, the Honour of the C.V.O. We offer him our warmest congratulations on this well deserved recognition of his services to Medicine.

We wish to welcome Dr. Noel Harris, who has accepted a position on the Honorary Staff as Physician in charge of the department of Psychological Medicine. This department was constituted as a separate entity towards the end of 1937. We are indeed fortunate to have obtained the services of so distinguished an exponent of this branch of medicine.

APPEAL.

Last year we pointed out the serious threat that menaced the future progress of the Hospital unless the gap between income and expenditure could be bridged. We have been fortunate in obtaining many new friends and the foregoing report shows that the Hospital has not been inactive in its efforts to obtain funds. But the ever-increasing cost of modern medical treatment, the growing demand upon our services, together with a year of depression and exceptional calls on the public purse, have combined to leave us this year with a substantial deficit.

If this Hospital is to maintain its lead in the forefront of the battle against disease, yet further support from the public is imperative. We accordingly address to you an urgent appeal to continue or even increase your subscriptions and to gain for us as many new friends as possible.

Please do not forget the Seven Years Agreement Scheme (page 1) which benefits both Hospital and Subscribers alike.

For the Board of the Middlesex Hospital.

THOMAS B. MONEY-COUTTS,

In this brief outline of the events of the past year, I hope that everyone, reading between the lines, will appreciate that the School has never exceeded its present efficiency. I believe this to be true ; just as I believe that the future is going to surpass the present.

With regret we record the death of an old friend of the Medical School, Mr. S. G. Asher. Mr. Asher was for many years Chairman of the Council of the Medical School, and his connection with the Hospital and School extended over a period of nearly 30 years. In Mr. Asher the Medical School had a very real friend, and his many services and wise advice will long be remembered. By his will a Scholarship has been endowed, and thereby his name will be perpetuated in our School.

It is also with regret that I record the death of Dr. T. G. A. Burns. He came to us from St. Bartholomew's Hospital in 1892 and for 27 years served on the active Staff. We remember that he taught the art of administering anæsthetics at a time when few practised this as a speciality. Men came from the United States to learn from him, and returning to America handed on to others what they had learnt from him.

Surgeon Vice-Admiral Sir Robert Hill died in April, 1938. His successful career in the Service culminated in his being Medical Director General of the Navy. This position, which he filled with conspicuous success, gave his ability and charming personality full rein. That responsible post is now held again by an old Middlesex man—Surgeon Vice-Admiral P. T. Nicholls.

The School is grateful to an old student, the late Dr. A. T. Scott, for he left in his Will £250 to provide a prize for the most

promising student at the end of his 1st year studies. He desired that the prize should commemorate his brother Frank Scott, who died while still a young medical student.

A. W. Cubitt, one of our promising younger men, having completed his appointment of Surgical Registrar here, was visiting continental centres of learning. We all deeply regret his sudden and unexpected death at Budapest.

Inevitably each year must witness changes in the Teaching Staff of any Medical School, but the last twelve months have dealt heavily with us.

Mr. Victor Bonney, who has retired, entered the School as a student in 1891 and was indeed a brilliant one, for he obtained almost every available degree and diploma, both surgical and medical, including a first class honour in the B.Sc., Anatomy. Clearly he was marked out for the Staff which he joined in 1908. Mr. Victor Bonney's professional work has raised the standard of his special department throughout the Medical World. His operative skill and his contributions to scientific literature are too well known to permit of elaboration. In addition, he has travelled widely, and participated in many interests, both literary and artistic.

We welcome Mr. W. R. Winterton of Cambridge University and this Medical School, who has been elected to fill the vacancy on the Honorary Staff.

We also welcome Mr. Max Freeman's election to the Council of the Medical School.

The Anatomy Department of this School, since its inception over 100 years ago, has had a remarkable list of Teachers—Charles Bell, Henry Morris, Bland-Sutton, Arthur Robinson, Thompson, Wright, Cameron, and then Yeates. Thomas Yeates more than carried on this tradition, for he was an illustrious and forceful teacher with great personality. He joined us in 1915 and was first to occupy the S. A. Courtauld Chair of Anatomy. At the end of last Summer he retired after 22 years with us, and throughout

this time he never spared himself in the service of the School. It is fitting that he should have been appointed an Emeritus Professor in the University of London. Professor John Kirk has been appointed the second holder of the Chair, and the School desires to extend to him a whole-hearted welcome.

Ill-health unfortunately caused Mr. F. J. Cleminson to relinquish some of his more arduous duties and consequently he joined the Consulting Staff in December, 1937. The School is very glad indeed that Mr. Cleminson has accepted a post, specially created for him, of Honorary Director of Research of the Ferens Institute of Oto-Laryngology. This is a particularly happy arrangement, for Mr. Cleminson himself inspired the gift which founded the Institute, and the Institute itself will profit by the additional time and personal direction of its research work that he will now be able to devote.

Mr. J. P. Monkhouse has been elected to the Honorary Staff to fill the vacancy created.

After several years' consideration the Hospital decided to create a new Department, that of Psychological Medicine. We all know Dr. Noel Harris, for he has specialised in this subject and in addition taken a keen interest in many sides of our activities. It is therefore a pleasure to record that he has been appointed Physician to the Department of Psychological Medicine.

Mr. G. C. Steel has been appointed to hold the newly created post of Anæsthetic Registrar.

Dr. C. A. Keele has been appointed Lecturer in Pharmacology to the Medical School.

When we look back over the year to the Honours and Distinctions won by Middlesex men, obviously the one that gave most universal pleasure and was so fully deserved, was the Knighthood conferred on Edward Meyerstein.

We were all proud that Mr. Gordon-Taylor this year delivered the Balfour Lecture in Toronto. This distinction and compliment has seldom fallen to men outside Canada and the United States.

Sir Alfred Webb-Johnson has been honoured by an invitation, which he has accepted, to give the Syme Memorial Oration in Melbourne.

I am glad to be able to report that of the four Censors of the Royal College of Physicians, two are still Middlesex men. In this capacity there have served in succession Dr. R. A. Young, then Dr. C. E. Lakin, and now Dr. G. E. Beaumont who was elected to this important office in 1937. Dr. Lakin has been re-elected. Again, the Bradshaw Lecturer for 1938 has been appointed from this School, in the person of Dr. L. E. H. Whitby.

Dr. C. E. Lakin has been appointed President of the Medical Society of London.

Dr. R. A. Young has been elected Harveian Orator for the year 1939.

During the year we have undoubtedly supplied our quota of men to the staffs of other Hospitals—notable appointments are those of Dr. Kenneth Robson to the staff of another undergraduate School, namely St. George's Hospital, Dr. J. L. Lovibond to the post of Assistant Physician to King George Hospital, Ilford, Mr. O. Lloyd-Davies to the post of Surgeon to Out-Patients, Hampstead General Hospital, and Mr. E. W. Peet as Surgical Registrar to the Ear, Nose and Throat Department of the Radcliffe Infirmary, Oxford. I would also like to congratulate Mr. A. J. B. Goldsmith on his appointment as Assistant Surgeon to the Central London Ophthalmic Hospital, better known as Moorfields, and Mr. John Howkins to the post of Resident Assistant Physician Accoucheur at St. Bartholomew's Hospital.

Professor E. C. Dodds, "S. A. Courtauld" Professor of Biochemistry, has been awarded the Gold Medal of the West London Medical and Chirurgical Society.

(3) M.B., B.S., Honours : K. P. Ball in Medicine, and A. J. Bernfield in Forensic Medicine and Hygiene.

Dr. I. G. Williams has been awarded a Rockefeller Fellowship.

We congratulate Dr. Ian MacNaughton on his appointment to the Bernhard Baron Scholarship tenable in the Medical School.

Dr. Sanderson-Wells, an old Middlesex man, has enriched his School by the endowment of a valuable Lectureship ; we are grateful to him for this and because he delivered the Inaugural Lecture this Summer. Sir Robert McCarrison has accepted the Lectureship for 1939. Dr. Sanderson-Wells has done more, for he has given us capital, the income of which will one day be available for encouraging research work 'Into the causes of Rheumatic and Nutritional Diseases.' This generosity for the endowment of Research is most encouraging, and helps to relieve the anxiety of those who are responsible for financing such work. We acknowledge with gratitude a legacy this year of £4,000 bequeathed to us under the Will of the late Mrs. E. E. Harding.

A gift of £500 has been received through Dr. F. D. Howitt from a grateful patient. This sum has been devoted to Research in Physio-therapy.

We have been very glad to continue, for a further period of 5 years, the facilities afforded to the Medical Research Council to carry out Research in Bacterial Chemistry in the Bland-Sutton Institute of Pathology.

This School undertakes Research work on a wide and extensive scale, and is trying to learn more about many diseases, and in particular the various aspects of the cancer problem. The British Empire Cancer Campaign gives us annually a large grant ; in truth, more than half what we spend on this particular problem ; so I wish to take this opportunity of acknowledging publicly our gratitude to the Campaign and assuring them of our constant vigilance in administering their grant both wisely and profitably. We are also grateful for the support received from the Medical Research Council, The Royal Society, The Royal College of Physicians, The Sir Halley Stewart Trust, The Leverhulme Trustees, and other discerning Bodies.

This year has seen the completion of the Meyerstein Institute of Radio-Therapy, which was opened on June 9th by the President of the Royal Society, Sir William Bragg. Its four floors are devoted to treatment with radium and X-rays, and are equipped with the most modern and wonderful apparatus that the advances of science have as yet made possible. This gift has placed in our hands the most up-to-date machinery with every protection and safe-guard, for the treatment of patients. The School will also derive benefits more particularly in postgraduate teaching for the Diploma of Medical Radiology and Electricity. The initial cost of the structure and all its equipment has been met by a gift of £46,400 from Sir Edward Meyerstein.

The School has come into possession since last year of its beautiful new Athletic Ground at Chislehurst, and all through this year we have been playing there. On May 21st staff, students, and their friends, over 500 in number, went down to see what had been done during the winter. They saw the newly-built Pavilion, the "relayed" cricket square, five grass tennis courts, three hard

courts, the newly-levelled football pitches and hockey ground, as well as important features that could not be seen, like drains and water points. All our visitors agreed that we had a magnificent sports ground. The Opening Day gave the students their first opportunity of showing their gratitude to the man who gave it, Sir Edward Meyerstein.

Sir Edward has since presented the Medical School with a further gift of land, consisting of 3 acres which will increase the size of the Athletic Ground. We are full of gratitude to him.

Finally, one thought towards next year. I think everyone here knows that the School is in a thriving condition, but it could be likened to an active and vigorous plant outgrowing its long established confines. We have ample room and well-equipped departments for all the clinical subjects, but our lack of space for the earlier studies is serious. Many will learn with relief and optimism for the future that the Builders have started on the first stage of our re-building plans. We have pulled down the old round Lecture-Theatre—not without a pang—but this time next year I hope we shall see raised in its place a four-storied building. This block, architecturally similar to the new Hospital, will give relief to the most urgently pressed departments. In addition there will be a new library of generous dimensions in which there will be comfortable space for reading. So the old library will be available and will be used to increase the Common Room accommodation for students. During rebuilding some inconvenience is inevitable, but no curtailment or serious difficulty will arise with regard to our teaching. In fact, arrangements have been made which will provide slightly better facilities even while the process of building is being carried out.

There are many other features that we would like to have included, such as Squash Courts, but these and other ambitions must wait longer for fulfilment.
